of Correction

Sir:

A Certificate of Correction under 35 U.S.C. 254 is hereby requested to correct a Patent Office printing error in the above-identified patent. Enclosed herewith is a proposed Certificate of Correction (Form No. PTO-1050) for consideration along with appropriate documentation supporting the request for correction.

It is requested that the Certificate of Correction be completed and mailed at an early date to the undersigned attorney of record. The proposed correction is an obvious one and does not in any way change the sense of the application.

We understand that a check is not required since the error was on the part of the Patent and Trademark Office in printing the patent.

Very truly yours,

Jeffrey J. Sopko, Reg. No. 27676

- the temperature in said lower temperature compartment is below a lower freezer temperature threshold.

21. The method according to claim 20, comprising the step of:

- controlling application of heat in said higher temperature compartment in dependence of the temperature in said low temperature compartment and said lower and higher freezer temperature thresholds.

22. The method according to claim 20, comprising the steps of:

- applying heat to said higher temperature compartment if the temperature in said higher temperature compartment is below a first specified temperature and

- stopping application of heat to said higher temperature compartment if the temperature in said higher temperature compartment is above a second specified temperature.

23. The method according to claim 20, comprising the step of:

- stopping application of heat to said higher temperature compartment if the temperature in said lower temperature compartment is below said lower freezer temperature threshold.
